

Meet our new MS Reading, Language Arts and Social Studies Teacher for the 2026-2027 school year! Welcome to our team!!

"Hi, my name is Ashley Groesbeck. I am from Woodinville, Washington, and am a future graduate from Waldorf University in Forest City, Iowa. I love to golf, read, and watch movies and TV shows. I chose Stanton Schools because of the close-knit community. I like the smaller classroom sizes to be able to connect well with my future students, and the school's philosophy of offering a positive and supportive community!"

Meet Abby! She will be an Elementary Teacher next year! Welcome to Stanton Schools!

"My name is Abby Christensen, and I am originally from Greenfield, Iowa. I recently graduated from Iowa State University and am excited to begin my teaching career. I enjoy spending time with family and friends, watching movies, and reading in my free time. I chose Stanton Schools because of its strong, close-knit community both inside and outside the classroom. The smaller class sizes create a welcoming, family like environment where meaningful relationships can truly grow. I am incredibly excited to become a Viqueen and begin this new chapter of my journey at Stanton!"
