Weight Room News

It is truly an exciting time! The Viking Productions Media class just completed Round 1 of posting the lifting records for the boys by body weight divisions. The record boards are now mounted in the weight room. 1 rep maxes have been kept since 2004 for Bench Press, Back Squat, Cleans, and straight bar dead lifts. Round 2 will consist of adding our girls' divisions and we'll also begin tracking 2 additional lifts: Hex bar dead lift and front squats. The weight room is open every M-F morning at 6:25. If you are in grades 7-12, JOIN US. If you have graduated, stop by and check out the record boards and the enthusiasm--you might still be able to find your name, but hurry up, your records will be eclipsed soon! Stay tuned for the latest updates as we share our new record holders!
