The Stanton Viqueens traveled to Bedford High School for the Lady Bulldog Tournament. We competed hard throughout the day against a strong lineup of teams. We had stretches of solid play with aggressive serving and good defensive hustle that kept us in some tight matches. Offensively, our hitters found ways to put the ball down, and I was pleased with the energy and communication on the court. While we didn't come away with all the results we wanted, the tournament was a great opportunity for us to measure ourselves, make adjustments, and continue building consistency. The girls showed resilience, and each match gave us something to learn from. We'll take these lessons back to practice and keep improving as we head into next week.

The Stanton Viqueens had a busy night on the court with two hard-fought matches. In their opener against the Hamburg Wildcats, the Viqueens came out strong and kept the momentum rolling to secure a solid victory. The team served tough, passed well, and finished rallies with smart hitting to claim the win.

In their second matchup, Stanton faced a tough Fremont-Mills squad. Despite battling through long rallies and showing determination, the Viqueens came up short and dropped the match. It was a night of both highs and learning moments, as the team looks to build on their win over Hamburg and sharpen up for the next stretch of the season.
